

The image shows the front facade of a brick building. The central feature is a large Gothic archway containing a dark double door with white paneling. To the left and right of this central arch are two smaller, similar arches. Above the arches, the text 'REGIONALE SCHULE NEUKLOSTER' is written in white capital letters across the brickwork. The upper floor has three windows with arched tops and decorative brick surrounds. The building is flanked by trees with yellow autumn leaves. A small white sign is visible on the right side of the building.

REGIONALE SCHULE NEUKLOSTER
